More event updates here

# ABOUT THE ORGANIZER

Vietnam 1st large-scale lighting & materials integrated design complex

Only 15-minute driving from downtown Ho Chi Minh City, with a total area of approximately 9,000 sqm spanning 3 floors, C.space is the large-scale integrated design complex that:

- 1/ provides thousands of product lines available to source for interior decoration.
- 2/ serves the needs of the Vietnamese design community with shared and private spaces for work, meetings, exhibitions, and special events.
- 3/presents the latest information, knowledge, and trends in the interior decoration industry.
- 4/ supports firms in seeking design talents

The all-in-one place approach helps save travel time, reduce costs, and enhance productivity.

# WELLBEING IN LIVING SPACES

"Wellbeing in living spaces" showcases innovative, practical, and cutting-edge solutions to improve living spaces with a focus on health, comfort, and sustainability. It is designed for design professionals, project developers, and individuals interested in enhancing their quality of life through holistic solutions.
